MINUTES

---

**Monday, April 5, 2010**      **6:30 pm**      **City Hall**

---

**Chairman Klein** called the meeting to order at 6:30 p.m.

**Constantine Kozalias -47 Noxon Street** If a person has a violation on the building and the person sells and the new owner wants to upgrade it he does not understand why someone should bring the violations if they will change the use of it.

**Doug Nobelitii- 145 Academy Street** thinks that it is a viable argument in order to move things along and to enforce violations.
