

Official Minutes of the Public Hearing for Moving Building Department to Development  
Department

THE CITY OF POUGHKEEPSIE  
NEW YORK

**PUBLIC HEARING**

---

**Tuesday, January 19, 2010**

**6:30 pm**

**City Hall**

---

**Gus Kozalias- 47 Noxon Street**- stated before the Council that he strongly feels that the building department should be with the engineering department like prior years. He strongly disagrees with the move: the city would benefit with the building department with the engineering.

**Ken Stickle- Catherine Street**- stated before Council that the building department should be with the development department; each department should work hand and hand. The planning, zoning, and building fall in line to make things happen.

**Chairman Klein** adjourned the Public Hearing at 7: 40 p. m.

**Dated: April 16, 2010**

I hereby certify that this a true and correct copy of the Minutes of the Public Hearing held on Tuesday, January 19, 2010 at 7:40 p. m.

**Respectfully submitted,**  
**Arlet C. Wilks**  
**City Chamberlain**
