INTENT:

It is the intent of this section to show the limits of purchase by the City of Poughkeepsie Departments, with respect to the limitations set forth by the State of New York, General Municipal Law § 103 §103b

Limits are as follows: Commodity(s)	\$20,000.00
Public Works Contracts	\$35,000.00

In addition to these limits, a procedure must be enacted by the local governing body (The Common Council) that sets forth the policy on purchase of goods and services which do not have to be bid.

The following will show the procedure that the City of Poughkeepsie will follow with respect to the purchase of goods, commodities and public works contracts.

AUTHORIZATION:

The payment of all invoices is the responsibility of the City of Poughkeepsie Finance Department, through the efforts of the Audits and Accounts Division, City Auditor, and the Purchasing Agent, with the direct supervision of the Commissioner of Finance.

The authorization for all payment of invoices is the responsibility of the Department Head or authorized representative; conversely the Department Head is the only person authorized to order equipment or services.

METHODS OF PURCHASE:

If a Department Head/Division Head has items and funds to purchase in the fiscal year's budget, the following procedure should be used to obtain the commodity or public works service:

1. Look at the estimated monetary amount allocated for the item, check the attached chart for the procedure to use, follow the procedure
2. If the procedure required involves a request for proposal, or a full advertised bid or (3) or more written quotations, the Purchasing Department should be called to find out if the item is on a New York State or Dutchess or other County Contract, or what will be involved in the purchase of that item.
3. Once a method of purchase has been chosen from the attached chart (s), it will be the responsibility of the department head or designated representative to perform the following:
 - a. Generate a "Request for Authorization" for the purchase of the commodity or public works service.

After the generation of the RFA, a modified flow chart of the routing is as follows:

- CITY DEPARTMENT:
Invoice or Purchase Order

TO
- AUDITS & ACCOUNTS AND/OR PURCHASING DEPARTMENT:
Invoice Becomes a Check
Purchase Order is approved and printed

TO
- VENDOR:
Purchase Order or Check
- CITY DEPARTMENT
Copy of Purchase Order

Official Minutes of the Organizational Meeting of January 2, 2015

The above may be altered, as is the case in a Blanket Purchase Order or Public Work Contract purchase order, where multi payments may be made from a single Purchase Order Number. The flow will not be broken, the only difference will be in the number of payment sent to the vendor.

In ALL instances, purchase orders must be completed before a purchase is made. The only exception is an emergency purchase as described on page 3.

METHODS OF PAYMENT:

The payment for commodities and public work services are made in the following manner:

Goods or Services Delivered to the City Department

Vendor sends invoice for goods

Invoice entered into NWS/LOGOS System by Department. Invoice is signed by Department Head and sent to Audits & Accounts for payment processing. (Audits & Accounts must have all of the paper work in place in order to cut a check to the vendor)

Check sent to Vendor
