YOU'RE INVITED!

NYS 2016 MWBE Disparity Study Business Community Meetings

New York State will host 17 business community meetings throughout the State to inform businesses about the State's 2016 MWBE Disparity Study. Two business community meetings will be held in Upstate New York during the month of March.

The meetings are designed to inform businesses about the 2016 MWBE Disparity Study and identify businesses that are interested in contracting with the State and available for an in-depth interview. Questions regarding the Disparity Study will also be addressed during the meetings.
